PRE WEDDING EVENT

Enhance your wedding weekend
with unforgettable pre-wedding moments

Because a destination wedding is more than a day—it's an experience. We design events that bring guests together and create unforgettable memories before the wedding itself:

- Welcome dinners on the beach or in historic villas.
- Cocktail evenings at panoramic rooftops.
- Boat rides along the Italian coast.
- Wine tastings and cooking classes for smaller groups.

POST-WEDDING MOMENTS

Extend the magic beyond the wedding day:

- Farewell brunches by the sea.
- Relaxed picnics in Italian gardens.
- Pool parties or pizza nights in rustic villas.
- Intimate family dinners before guests depart.

These experiences give you and your guests the chance to celebrate in a slower, more personal way—leaving Italy with memories that last a lifetime.
